

## Career Guidance Program

On 31<sup>st</sup> March 2022, the faculties along with students visited Daffodil College of Horticulture, Khetri (Kamrup). The faculties from the Daffodil College of Horticulture imparted theoretical knowledge as well as practical knowledge in the aforesaid institute. From this programme the students had gathered knowledge on seedlings, Plantation, different kinds of grafting, layering, pesticides, fungus, and diseases on various plants and flowers. Even the mixing of pesticides and spraying it on the plants are also taught to the students. Indeed it's a wonderful experience to the students. The faculties from the Daffodil College of Horticulture had appreciated the students for the keen interest shown in their visit in spite of the fact that the students of Charaibahi College are from Arts stream.
